

Candidate Name Anna Bokhonko **Paper** — A2 Key for Schools, Reading & Writing, Parts 6–7 (marked copy)

Part 6: Write your answer below.

Hello Pat, How are you? I am going to¹ shopping tomorrow, and I will be so happy if you can join me. I want to meet near she² our local mall³ at the <u>17:00pm</u>^{4,5}. I have a party on this Friday, but I don't have a good dress. I would like to <u>bye</u>⁶ one <u>on</u>⁷ the shop.⁸ Do you want to come with me and help me? Let me know. From your bestie Ann.⁹	✗1 extra "to" (Lang, minor) ✗2 stray "she" (Lang, minor) ✓3 п.1 место (Content) ✗4 24h+"pm" (Lang, minor) ✓5 п.2 время (Content) ✗6 "bye"→"buy" (Lang, minor) ✗7 "on"→"in" (Lang, minor) ✓8 п.3 что купить (Content) ✓9 closing (Org)
--	--

⚠ **Организация, сильная ошибка:** союзы (if, but, and) есть и использованы правильно — дело не в них. Проблема в том, что весь текст — один сплошной блок: нет отдельной строки для приветствия, нет отступа перед подписью. Именно из-за этого Organisation — Band 3, а не выше.

+ Strengths

- ✓3 ✓5 ✓8 all 3 content points clearly given
- ✓9 friendly, appropriate closing ("From your bestie Ann")
- Good connectors used: if, but, and
- 74 words — well over the 25-word minimum

– To improve

- ✗1 "going to shopping" → "going shopping" — Language, minor
- ✗2 remove stray "she" — Language, minor
- ✗4 "17:00pm" → "17:00" or "5pm" — Language, minor
- ✗6 ✗7 "bye"→"buy", "on"→"in" — Language, minor
- General — split into greeting / body / sign-off lines — Organisation, **strong** (main reason capped at 3)

Part 6 marks — Content ⁵ Organisation ³ Language ⁴ → 12 / 15, good attempt

Part 7: Write your answer below.

One day we decided to have a picnic near the city's lake. My mom and me went to the shops and bought some groceries and our dad and sister <u>help us to make bags</u>^{1,2}. We took some food and snacks and then we <u>go</u>³. We found the quiet place under the big tree.⁴ Me with my sister swam in the water, but our parents <u>want</u>⁵ to have only sun baths.⁶ Water was good and sun <u>brighted</u>⁷ a lot. We had a really lovely weekend.⁸	✗1 tense+word (Lang, minor) ✓2 карт.1: сборы (Content) ✗3 go→went (Lang, minor) ✓4 карт.2: у озера (Content) ✗5 want→wanted (Lang, minor) ✓6 карт.3: купание (Content) ✗7 "brighted" (Lang, strong) ✓8 closing (Org)
--	--

⚠ **Организация, сильная ошибка:** слова-связки (One day, and, but, and then) в тексте ЕСТЬ и работают верно — это не ошибка. Проблема в том, что вся история написана одним сплошным блоком, без разбивки на этапы (сборы → у озера → купание). Именно из-за отсутствия такой разбивки Organisation — Band 3, а не выше.

+ Strengths

- ✓2 ✓4 ✓6 all 3 pictures covered, correct order
- ✓8 natural, satisfying ending
- Chronological connectors: One day, and, but, and then
- 90 words — well over the 35-word minimum

– To improve

- ✗1 "help us to make bags" → "helped us pack the bags" — Language, minor
- ✗3 "we go" → "we went" — Language, minor
- ✗5 "parents want" → "parents wanted" — Language, minor
- ✗7 "sun brighted a lot" — Language, **strong** (main reason Language capped at 4)
- General — split into paragraph breaks by story stage — Organisation, **strong** (main reason capped at 3)

Part 7 marks — Content ⁵ Organisation ³ Language ⁴ → 12 / 15, good attempt

Reading & Writing paper

Section	Raw	%	Scale score	Comment
Reading (Parts 1–5)	24 / 30	80%	≈132	Very even — Part 3 perfect, only 1–2 slips elsewhere
Writing (Parts 6–7)	24 / 30	80%	≈135	Both tasks fully answered; Organisation is what's holding the mark back
Reading & Writing	48 / 60	80%	≈133	

Cambridge English Scale — estimate, not verified against the calculator

Using the same reading/writing-scale relationship confirmed for the previous student (their raw 46/60 → scale 130 matched exactly), this candidate's raw 48/60 projects to Scale Score **≈133** → likely still **CEFR A2**, on the C/B grade boundary.

I don't have direct access to cambridgescore.com/ket from here, so this is a reasoned estimate, not a confirmed figure. For the official number, enter Reading 4/5/5/5/5 and Writing 5-3-4 / 5-3-4 into the calculator.

Where this result sits on the Cambridge English Scale (estimated)

Orange = estimated, not confirmed by the calculator (unlike Jadviga's red, verified marker). Shaded band shows the ≈132–135 uncertainty range.
