i Организация: союзов почти нет (только один "and"), текст держится за счёт того, что каждая мысль — на отдельной строке, как в настоящем письме. Это хорошая структура, но без слов-связок (because, so, then) до Band 5 не дотягивает — поэтому Band 4.

- ✓2 ✓5 ✓6 ✓8 all 3 content points clearly given
- Questions and modal "can" mostly controlled; no errors block meaning
